INDEX VOLUME XIII.

PAGE.

ABDOMINAL aneurism 380
gestation, case of 598
section for relief of intestinal obstruction 341
tumors 127
tumor, with adhesions 919
Abortion, quinine in 744
to prevent 598
Abraham, P. S., the etiology of leprosy 119
Abscess of the liver, treatment of 306
A case of extraordinary elevation of temperature 706
Acetanilide, poisoning with 204
Acids of the stomach 642
Acquired leprosy, as observed in England 414
A cursory review of the progress of medicine and medical education 258
Acute articular rheumatism 279
A forlorn hope 344
Agaric acid, a new drug for night sweating 531
A good law 528
Aix les Bains, the mode of treatment at 683
Alcoholism, crusade against 925
Alkaloids, time during which they remain unadulterated in the body . . 532
Allen, Dudley P., litholapaxy in children 483
All honor to him 238
Allport, W. W., facial neuralgia consequent upon pregnancy 229
Alopecia areata 55
A medical episode at Yale 96
American Academy of Medicine, the, its objects, etc 759, 795
gynecology 165
hospital at Teheran 782
Medical Association and its relations to public health 122

AMERICAN MEDICAL ASSOCIATION:
address of chairman of the Section of Practice of Medicine, Materia Medica and Physiology 19
State Medicine 43
Surgery and Anatomy 37
of welcome 14, 145
on surgery 15
Association items 202
Fortieth Annual Meeting 27
Newport meeting 57
officers of Sections, expenses of . . . 214
official report of the Fortieth Annual Meeting 97
President's address 1
Section of Dental and Oral Surgery 206
Diseases of Children 205
Laryngology and Otology 169
Obstetrics and Diseases of Women 61, 902
Ophthalmology 136
Practice of Medicine, Materia Medica and Physiology . . . 60, 133

Surgery and Anatomy 63
the entertainments 95
American Dental Association 167
Society of Microscopists 201
Amputation of breast for carcinoma . . 488
Ancient surgery in Germany 711
Andrews, Edmund, painful muscular spasms after fracture perfectly controlled by sulphonal 558
A new discovery 344
A new dusting powder 927
A new use for an old instrument 446
Anglo-American Medical Association in Germany 602
An important decision 216
An international courtesy 132

PAGE.

An introduction to the study of pneumonic fever 48
A nosological problem 541
A note of warning 311
Annual report of the Surgeon-General of the Navy 853
Another elixir of youth 492
Anthrax, immunity against 750
Antiphlogistic treatment at the onset of acute pneumonia and pleurisy . . 429
Antipyretics, a comparison of 706
Antipyrin 451, 532
a case of poisoning from 922
action of 283
incompatibility of, with other drugs 644
in congestive malarial fever 823
in diabetes 560
rash 496
treatment of diabetes by 677
Antiseptic midwifery 278
properties in human saliva 706
of tobacco smoke 422
Anti-vaccination Congress 564
Antrum, diseases of the 879
Aortic insufficiency 25
A peculiar cattle disease 383
A philanthropic prince 133
A physician's responsibility in medication 673
A plea in favor of early laparotomy for catarrhal and ulcerative appendicitis 630
Apostoli, George, treatment of salpingo-ovaritis by electricity 109
Arabia, the plague in 277
Armstrong, S. T., two cases of upward dislocation of the sternal end of the clavicle 22
Army Medical Board 384
Army Medical Department, changes in, 36, 72, 108, 144, 180, 216, 252, 288, 324, 360, 396, 432, 468, 506, 542, 578, 614, 650, 686, 722, 758, 794, 830, 866, 902, 928
Arrow poison, nature of 283
Arsenic, effects of the prolonged use of . 713
poisoning by 683
Artificial feeding of infants 603
Asthma, an interesting case of 58
Ataxia, muscular atrophy in 26
Atkinson, I. E., some of the graver and rarer forms of cinchonism 433
Wm., origin of pus 370
Wm. B., clinic on chorea in children 848
Atrophy, muscular, in ataxia 26
of the optic nerve 560
Audi alteram partem 286, 431
Australian notes 96
Auto-infection from the products of gastro-intestinal fermentation 419
Aversion of some animals to saccharin 283
A voice on medical education from California 891

BACTERIA in green sputa 23
in water 785
the multiplication of 606
Bacteriological examination of nineteen American mineral waters in the bottled state 691
Baker, A. R., impaired vision as the result of sunstroke 802
Baking of bacilli 104
Bancroft, Dr. J. P., stricken with paralysis 890
Bantock, Dr. G. Granville 782
Bantock's views of Listerism 926
Bardeleben, Prof. 602
Bartlett, Dr. J. K., death of 829
Bascom, F. S., climatic characteristics of Salt Lake City 873
